December 2, 2021

Parents and Guardians,

On November 29th schools began to implement locker distribution plans. As we continue to distribute lockers, please keep in mind that students and staff will need to become acclimated to the plan and its impact on school transitions. We will continue to monitor to ensure adherence to COVID protocols and make revisions to the plan when necessary. Your patience and understanding is appreciated in advance.

Sincerely,

A handwritten signature in black ink, appearing to read "Gonul Ozturk".

Gonul Ozturk, M.Ed

Principal
